Hello, my name is Jacilyn Weber. I am a senior at Central Valley High School. I am assisting the Monaca Police Department this Christmas in their first annual program called "Santa Cops". I will be volunteering to work with the Monaca Police Officers to fulfill my senior project requirements.

This program collects donations and gifts and then distributes them on Christmas Eve to children that might have otherwise not received a gift from "Santa". The children are selected from the Monaca Area Community.

"Santa Cops" is designed to be an outlet for those who want to make Christmas brighter for a child as well as provide an opportunity for a positive interaction between the Monaca Police Department and those children who might perceive law enforcement in a negative light.

Your participation by making a donation or the contribution of a toy will help in making a child's Christmas one to remember. We ask that you join us in the worthy cause and wake up on Christmas morning with an unbelievable feeling: that feeling which comes from knowing that you have helped to ensure that at least one child in your community still believes in Santa and has had a Merry Christmas!!

If you would like to make a monetary donation, please send it to the Monaca Police Department. Please make checks out to Monaca Police Officers Association. Donations can be mailed to 928 Pennsylvania Ave. Monaca, PA 15061. Attention-SANTA COPS.

If you would like to donate toys, please drop off to the Monaca Police Department or call the department to have it picked up.

We will collect donations until December 20th.

Thank you,

Jacilyn Weber
